

Focus On Growing Your Business

Project Resources Group has been a leader in construction management and business outsourcing services since 2001. At PRG our mission focuses on providing strategic resources for industry and business to deliver customized solutions for cable MSO's and various types of service providers.

We understand the unique challenges companies face and offer services to help you reduce operating cost and increase your ROI, allowing you to focus on growing your business.

CONSTRUCTION MANAGEMENT

Our Construction Project Management team will customize an end-to-end solution that provides staffing flexibility at competitive rates. From cell towers, to commercial construction, to system upgrades, we have the experience and technical knowledge to get it done on time and on budget.

Solutions Include:

- Construction Management
- Engineering/Fiber/MDU Design
- Customized Management Reporting
- Quality Assurance/Quality Control
- Technical Staffing
- Microtrenching
- Commercial Construction
- Outside Plant Damage Investigation and Recovery
- Walkout and Pole ID
- Forced Relocation Recovery/FRELO
- Special Projects

***Free up resources
and enable greater
operational flexibility.***

MICROTRENCH

Strategic microtrenching resources that include adherence to specifications through live data review to assist numerous vendors over multiple markets.

CUSTOMIZED REPORTING

Track the status of projects instantly. Deliver current, concise and accurate data on demand.

QUALITY CONTROL

Ensuring your specifications are met and restoration at work sites is completed quickly and cleanly.

TECHNICAL STAFFING

Technical resources with the knowledge and experience to keep your projects on time and on budget.

FIBER BUILDS

PRG has the experience and technical knowledge to get it done on time and on budget.

COMMERCIAL CONSTRUCTION

Our professional, experienced technical staff will make sure your specifications are met in the field. Additionally, we verify that all documentation and as-builts are complete and correct.

OPD

We have a proven track record of successfully resolving outside plant damage claims, returning the highest possible amount to your budget.

Why PRG?

Since 2001, PRG has been a leading provider of communication construction management, network infrastructure, plant damage investigation and recovery. PRG's leaders include well-known and respected executives from the communications and cable industries. They bring years of expertise from careers with major service providers. We build solutions that help drive sustainable profitability, conserve resources, improve efficiency, better customer relationships, and increase earnings.
